Programme

Main sessions

There will be 3 webinar-type sessions in which the presentations can be viewed and the speakers are present to answer any questions that may arise.

The sessions will have the following structure:

- 10' Welcome and presentation of the speakers
- 25' Communication 1 + questions
- 5' Break
- 25' Communication 2 + questions
- 5' Closure

Presentations can be viewed from the website a few days after the oral presentation.

Round tables

Presenters are members of the scientific committee. They will allow interactive discussion of the topics presented during the sessions from the previous weeks. A part from some questions raised from the previous sessions, attendees will be able to make several questions about the topics listed below.
